

*Before opening a bag of seed, be sure to read and understand the stewardship requirements, including applicable refuge requirements for insect resistance management, for the biotechnology traits expressed in the seed as set forth in the Monsanto Technology Agreement that you sign. By opening and using a bag of seed, you are reaffirming your obligation to comply with those stewardship requirements.*

*Grain harvested from products that bear this mark is fully approved for food and feed use in the United States and Japan, but is not approved in the European Union. You must find a market for this crop that will not ship this grain or its processed products to Europe. Appropriate markets for this grain include: domestic feed use or grain handlers that specifically agree to accept this grain and handle it appropriately. For more information on your grain market options, go to the American Seed Trade Association's website at [www.amseed.org](http://www.amseed.org) or call your seed supplier.*

*MARKET CHOICES<sup>®</sup> is a registered certification mark used under license from ASTA.*

*Know Before You Grow<sup>®</sup>, an information service provided by National Corn Growers Association at [www.ncga.com](http://www.ncga.com).*

*Growers should refer to Monsanto's Technology Use Guide for information on crop stewardship regarding the potential movement of pollen to neighboring crops. Know Before You Grow<sup>®</sup> is a service mark of National Corn Growers Association. For more information call 1-866-SELL CORN.*

**IMPORTANT:** *The following information is current as of 05/01/08: YieldGard Plus and YieldGard Rootworm with Roundup Ready Corn 2 are grandfathered for import and use in processed feed in the E.U. YieldGard Plus with Roundup Ready Corn 2, YieldGard VT Rootworm/RR2, and YieldGard VT Triple are neither approved nor grandfathered and there is zero tolerance for these traits in processed feed imported in the E.U. Growers of all products bearing the Market Choices mark must talk to their grain handler to confirm the handler's buying position for grain from these products. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted.*

*B.t. products are not yet registered in all states. Check with your seed representative for the registration status in your state.*

**Always Read and Follow Pesticide Label Directions.** *Roundup Ready<sup>®</sup> crops contain genes that confer tolerance to glyphosate, the active ingredient in Roundup<sup>®</sup> agricultural herbicides. Roundup<sup>®</sup> agricultural herbicides will kill crops that are not tolerant to glyphosate. Roundup<sup>®</sup>, Roundup Ready<sup>®</sup>, YieldGard<sup>®</sup>, YieldGard VT<sup>®</sup> and Design, YieldGard VT Rootworm/RR2<sup>®</sup>, YieldGard VT Triple<sup>®</sup> and YieldGard VT Triple PRO<sup>™</sup> are trademarks of Monsanto Technology LLC.*
